Project Description

EducationUSA is a network of hundreds of advising centers in 170 countries, where millions of international students each year find accurate, comprehensive, and current information about how to apply to accredited U.S. colleges and universities. The EducationUSA network is supported by the U.S. Department of State's Bureau of Educational and Cultural Affairs (ECA), which strives to foster mutual understanding between United States and other countries. Based in the Public Affairs Section in the U.S. Embassy Beijing, EducationUSA China serves all of mainland China by offering online and mobile advising to Chinese students and their parents through official website, social media, and outreach programs. For more information, please access to www.educationusa.state.gov or www.educationusachina.com. EducationUSA eAdviser will contribute to EducationUSA China online advising with the advantages of their experience at U.S. campus and give tips and advisers for the prospective Chinese students.
