Project Summary	Research and analyze current developments in China-Central Asia and China-South Asia economic relations.
Country	China
Agency	Department of State
DoS Office	N/A
Post	BEIJING
Section	ECON
Number of Interns	1

Project Description

U.S. Embassy Beijing's Economic Section is looking for an intern to monitor, research, and analyze China's economic relations with countries in Central and South Asia. The intern will conduct open source research to develop weekly summaries of significant events in China-Central Asia and China-South Asia economic relations. The intern will have the opportunity to draft policy papers in areas of interest, develop databases to track trade and investment, create country-specific fact sheets, and complete other written research documents. This internship is perfect for students interested in China's growing economic influence around the world.
