

## Economic Policy Intern

Project Title	Economic Policy Intern
Project Summary	Conduct research for USAID's Office of Economic Policy, which carries out economic analysis to inform country-level development strategy and project-level decision-making. As needed, support the administrative needs of the Office.
Country	United States
Agency	Agency for International Development
DoS Office	N/A
Post	N/A
Section	N/A
Number of Interns	1

## Project Description

Research tasks include supporting our efforts to diagnose the constraints to growth and the cost-effectiveness of development interventions in USAID presence countries through data collection and organization, chart and graph creation, and editing. Administrative tasks include editing, copy-editing, communications support, and other ad hoc requests. This position offers the opportunity to learn about international development, economics, and careers in international affairs with the U.S. government.
