

EducationUSA France Intern

Project Title	EducationUSA France Intern
Project Summary	Assist French prospective undergraduate students interested in studying in the U.S. and support public diplomacy efforts in France by supporting EducationUSA's mission through peer advising, social media support, and conducting virtual workshops/presentations.
Country	France
Agency	Department of State
DoS Office	N/A
Post	PARIS
Section	PAS
Number of Interns	1

Project Description

The eIntern with the United States Embassy in France will assist with public diplomacy projects in coordination with the EducationUSA office based at the Fulbright Commission in Paris, France. The eIntern will have a direct impact on French students and provide essential support to the EducationUSA advising center. The duties of the eIntern will include but are not limited to: promoting U.S. higher education through social media (especially videos on YouTube and Facebook) and other virtual tools, proof-reading and providing feedback on application essays, conducting Webinars about “Your 5-steps to US Study” (school selection, application procedures, pre-departure information, etc), researching information and preparing documents – preferably in French – about study opportunities in the United States.

Additional Information

The VSFS program opens up opportunities to build long-term relationships with French high school students and advance students' awareness of the American higher education system. This is your chance to participate in establishing collaboration and promote transnational ties between the two nations.

E-interns will collaborate with an American Fulbright English Teaching Assistant based in France and volunteering for the Fulbright Commission in Paris/EducationUSA advising center.
