Country	Italy
Agency	Department of State
DoS Office	N/A
Post	ROME
Section	ECON
Number of Interns	3

## Project Description

Want to help Mission Italy tell the stories of the Italian economy in creative ways? We are looking for individuals who can capture key topics of interest and distill them into easily digestible graphics or charts. Mission Italy receives thousands of official visitors each year. We seek your help in finding a fresh and engaging approach to convey often-complex economic information to these visitors in an easy-to-follow way.

## Desired Skills Interests

### Skill

Data analysis

Imagining new solutions

Research

Statistics
