

## Research Assistant - USAID

Project Title	Research Assistant - USAID
Project Summary	USAID's Center for Faith-Based and Community Initiatives (CFBCI) leverages the work of faith-based and community organizations to further the Agency's mission. [note: Ruthie Gopin is assigned to this project.]
Country	United States
Agency	Agency for International Development
DoS Office	N/A
Post	N/A
Section	N/A
Number of Interns	2

## Project Description

Interns to provide research support to specific projects of the CFBCI. Duties may include fact-checking documents, writing communications for publication, developing briefing materials, assisting with planning and implementation of current projects/initiatives, and other tasks as assigned. A primary research project for this internship will identify women's organizations within religious communities in developing countries. Specific areas of focus for this research include profiles of organizations, their leadership and membership, their work in development, global health and humanitarian assistance.
