

SharePoint Intern for EPA

Project Title	SharePoint Intern for EPA
Project Summary	Looking for a SharePoint intern, anyone with -HTML, CSS, JavaScript experience (web design), for EPA's Office of Chemical Safety and Pollution Prevention.
Country	United States
Agency	Environmental Protection Agency
DoS Office	N/A
Post	N/A
Section	N/A
Number of Interns	2

Project Description

Looking for a SharePoint intern, anyone with -HTML, CSS, JavaScript experience (web design). Also, it would be a plus if eIntern had graphic design experience.

The intern will work alongside our Site Collection Admins to consult with users about their collaboration needs, match tools to fit those needs, configure systems such as SharePoint Team Sites.

Develop and deliver training for site owners and site consumers, ensure content is up to date, and deploy and support the configuration of SharePoint sites used for team collaboration.
