

**Peace Corps Citizenship
Project and other Office of
Technology Transfer Initiatives**

Project Title	Peace Corps Citizenship Project and other Office of Technology Transfer Initiatives
Project Summary	Support the Peace Corps Office of Technology Transfer (OTT) with research initiatives, reporting requirements and industry monitoring.
Country	United States

Project Description

The Peace Corps Office of Technology Transfer is a division of the Office of the Chief Information Officer (OCIO) responsible for future tech vision and industry monitoring. OTT focuses primary on information technology, volunteerism, and federal compliance. Specifically interns will be tasked with supporting these initiatives by performing online research, monitoring industry changes, writing analysis papers, attending virtual conferences, and advising on new industry trends for consideration and review.
