Writing

Additional Information

EducationUSA centers actively promote U.S. higher education around the world by offering accurate, comprehensive, and current information about educational institutions in the United States and guidance to

qualified individuals on how best to access those opportunities. Millions of prospective students learn about U.S. study opportunities through EducationUSA centers around the world each year. EducationUSA N. Macedonia has 3 EducationUSA Centers and runs a national online Competitive College Clubs helping more than 40 high school students reach their potential and goals to study in the United States.
