Intercultural Competencies Project

Project Title	Intercultural Competencies Project
Project Summary	Creates, reviews, and updates educational materials on/for the Peace Corps website educators section, specifically regarding Intercultural Competence, Diversity, & Inclusion.
Country	United States

Project Description

This project involves creating and reviewing educational materials related to agency strategic goals of intercultural competencies, diversity, and inclusion. Working in coordination with the program specialist for the Paul D. Coverdell World Wise Schools program, this role will assist in market research, collaboration with internal and external stakeholders, and using 21st century inclusion efforts to create/update/revise relevant content for educators based on the Peace Corps experience. This role may involve curating Volunteer stories and working with returned Volunteers to create website content. Other duties as may be assigned as needed.
