Caribbean Social Media Manager

Project Title	Caribbean Social Media Manager
Project Summary	Inform and contribute to U.S. policy making in the Caribbean through social media monitoring and content creation.
Country	United States

Project Description

Join our Caribbean Affairs team as a valuable contributor in data analysis and reporting on U.S. Department of State and U.S. embassy social media content in the Caribbean. As a front line social media manager you will be responsible for helping track social media products for 16 countries highlighting breaking news, programming, and Department priority messaging. This position will also provide opportunities for creating public diplomacy content across multiple platforms to highlight U.S. policy in the Caribbean and amplify U.S.-Caribbean successes in support of strategic messaging campaigns.
